Drinking Water Supply Schemes for some Villages in Belgaum Taluk

477. **Sri P. B. NANDIHALI** (Uchgaon).—

Will the Minister for Development be pleased to state :—

(*a*) whether the Government is aware of the great necessity of drinking water supply schemes to the villages Yellur, Rajhansgad, Santibastwad, Khadarwadi, Karle in Belgaum Taluk ;

(*b*) whether Government has asked the officers to prepare plans and estimates of the scheme of each village and guide the concerned Gram Panchayats ;

(*c*) if so, the progress of each such scheme ;

(*d*) whether they are aware that the Gram Panchayats are prepared to fulfil the condition regarding payment of local contribution ?

Sri B. L. GOWDA (Deputy Minister for Co-operation).—

(*a*) Yes.

(*b*) Yes.

(*c*) Plans and estimates for Khadarwadi Village have been received from the Chief Enigneer, General and the Deputy Commissioner, Belgaum, has been requested to advise the Panchayat to credit 10 per cent of the cost.

The plans and estimates in respect of other Villages are under preparation.

(*d*) Yes. Information is however received that the Panchayats of Khadarwadi, Santibastwad and Rajhansgad have deposited 5 per cent of the cost of the scheme while the remaining two panchayat have not paid their share of contribution.

Sri P. B. NANDIHALI.—I am trying to get several schemes sanctioned for the last four years. I am charging this Government that they are purposely neglecting the Marathi areas. After four years, out of 5 schemes only in respect of one scheme plans and estimates have been completed. At this rate I do not think plans and estimates

in respect of all the schemes will be completed during the regime of the Minister. May I request the Government to issue orders immediately to get plans and estimates ready and one of your officers go to the concerned village and advise the Gram Panchayat to do the needful ?

† Sri B. L. GOWDA.—I refute the allegation that we are discriminating Belgaum or any other place. It is in Mysore. If the concerned panchayat raises the necessary contribution of 10 per cent, we will immediately sanction the schemes for which plans and estimates are prepared. So far as other schemes are concerned, we have issued instructions to complete the proposals.

Sri N. B. SIRDESAI.—May I know whether the Government will accept payment of the contribution in instalments and start the work after payment of first instalment ?

Sri B. L. GOWDA.—After 1969 we are not accepting payments in instalments. They must pay the entire 10 per cent in one lump.

Sri B. P. KADAM.—May I know when were the plans and estimates received in respect of Khadarwadi and Rajhansgad ?

Sri B. L. GOWDA.—On 24th April 1969.

Sri B. P. KADAM.—In view of the fact that this question is raised by the members and the people, will the Government see the urgency and attend to this matter early ?

Sri B. L. GOWDA.—If they pay the balance of 5 per cent contribution we can do it.
